

Editorial Calendar 2005

SPRING 2005: Mojo Issue

Yes, you've got it goin' on. Maybe its photography, poetry, spirituality, music or good old fashioned grrrr! Through intention, will power and focus this potent primal power can be channelled to anything you set your mind to.

Submissions due: 2.20.05 Ads: 3.4.05 Issue: 3.25.05

SUMMER 2005: Science Issue

Innovation shapes the future of our planet. Superstring physicists have proved that everything is literally connected. Stems cells can be engineered into body parts. What scientific progress should we know about?

Submissions due: 5.22.05 Ads: 6.3.05 Issue: 6.15.05

SEPTEMBER 2005: Music Issue

Take a moment and really think about music. Its subtle nuance moves millions of people everyday. Let's explore the liquid art that draws on the emotion of the human experience.

Submissions due: 8.21.05 Ads: 9.2.05 Issue: 9.15.05

DECEMBER 2005: Energy Issue

Energy is all around us. Whether its the fuel cells of the future, the dynamics between two people or the serenity of the forest. It sustains life. Tell us about energy you've found remarkable.

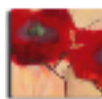

Submissions due: 11.20.05 Ads: 12.2.05 Issue: 12.15.05

This online alternative media is a creative forum for artists, writers and free-thinkers. *Meniscus Magazine* features six distinct sections: Elements, Textures, Vibrations, Out Here, Stories and the Gallery.

Each issue of *Meniscus Magazine* is created for and by its readers, in all subjects and mediums, with one requirement:
Infectious Positivity.

Sustainability & Green Living

Included in each issue will be stories and information on how to live in harmony with Mother Earth.

Gallery

Every issue of Meniscus includes the Gallery where artists display their work in a slide show format. All mediums are welcome! Work that compliments the editorial focus is encouraged but not necessary. Please submit work by the issue deadlines above.
